PROFILE

Senior Telecom Integration Engineer with 8+ years of experience designing, developing, and supporting mission-critical enterprise integration solutions within large-scale telecom environments.

Specialized in **TIBCO BusinessWorks**, **TIBCO EMS**, Enterprise Application Integration (EAI), and **OSS/BSS** ecosystems, delivering integrations across CRM, Billing (Ericsson BSCS), Charging Systems, Provisioning (Nokia InstantLink) and Core Network platforms.

Proven experience leading complex migration programs, optimizing production integrations, troubleshooting high-volume distributed systems, and delivering scalable, highly available integration services in Agile environments.

PROFESSIONAL EXPERIENCE

Senior Integration Engineer

12/2025 – Present
Tunis

Diyar United Company 🌐

- Design, develop and maintain enterprise integration services using **TIBCO BusinessWorks**, **TIBCO EMS** and **TIBCO Administrator**.
- Build integration workflows connecting CRM, POS, Billing (BSCS), Charging (IN), Provisioning (InstantLink) and Core Network platforms.
- Diagnose and resolve complex production incidents across distributed OSS/BSS environments.
- Optimize integration performance, reducing latency and improving service availability.
- Collaborate with architects, business analysts and cross-functional teams to deliver secure, scalable integration solutions.
- Participate in solution design, effort estimation, release planning and deployment activities.

BSS Integration Engineer

08/2022 – 11/2025
Tunis, Tunisia

Ooredoo Tunisia 🌐

- Designed and implemented enterprise integrations using **TIBCO BusinessWorks** and **TIBCO EMS**.
- Developed RESTful and SOAP integration services connecting CRM, Billing, Charging, Provisioning and Digital Channels.
- Delivered production-ready integration services with high availability and low defect rates.
- Supported mission-critical telecom applications, performing root cause analysis and production troubleshooting.
- Collaborated with Solution Architects, Product Owners, QA and Infrastructure teams throughout the software delivery lifecycle.
- Participated in strategic migration initiatives involving Ericsson BSCS, Huawei UDM and Nokia InstantLink.

Full Stack Developer (Remote)

07/2022 – 07/2023
Nabeul, Tunisia

Code Temple 🌐

- Designed and developed cross-platform mobile applications using **Flutter & Firebase**.
- Delivered multiple applications for SMEs, focusing on usability, performance, and clean architecture.
- Participated in requirements gathering, UI/UX improvement, and deployment pipelines.

Full Stack Developer

06/2018 – 07/2022
Nabeul, Tunisia

Universal Web Soft 🌐

- Developed web apps, ERP modules, and mobile applications for clients across various industries.
- Technologies: **.NET, C#, PHP/Laravel, Android, Flutter, MySQL, MS SQL Server**.

- Designed maintainable architectures using **UML/Merise**.
- Improved system performance and ensured clean, maintainable code

Web Developer

Manarate Research and Development 

02/2018 – 05/2018
Hammamet, Tunisia

- Built websites and lightweight web applications using **WordPress, PrestaShop, PHP, MySQL**.
- Enhanced website performance and ensured SEO-friendly structure.

Internship

Innovasia

02/2016 – 05/2016
Nabeul, Tunisia

- Designed and developed an E-Learning platform.
- Installed and configured **OpenStack** environment.
- Built the web application using **PHP, Ajax, Materialize, MySQL**.

Internship

STUSID Bank 

02/2013 – 05/2013
Tunis, Tunisia

- Developed a bank card **fraud prediction system** using pattern analysis and database processing.
- Contributed to data modeling and interface design.

EDUCATION

Master's degree, Computer Science And Computer Networks

Leaders University 

10/2014 – 10/2016
Nabeul, Tunisia

Bachelor's degree, Computer Science

Faculty of Sciences of Tunis 

10/2011 – 07/2013
Tunis, Tunisia

SKILLS

Enterprise Integration

- TIBCO BusinessWorks BW, EMS, Administrator
- Enterprise Application Integration (EAI)
- Service-Oriented Architecture (SOA)
- REST APIs / SOAP Web Services
- XML / XSD / XSLT / JMS

Telecom OSS/BSS

- Sales & Digital Channels (CRM, POS, USSD, App, ...)
- Billing (BSCS), Charging (IN) and Provisioning (Nokia InstantLink)
- Network Elements (HLR/UDM, ACS, OLT, ...)

Software Development

- **Backend:** Java, C#, ASP .NET, PHP, Firebase
- **Frontend / Mobile:** Flutter, Android, React.js
- **Architecture:** Microservices, MVC
- **UI Frameworks:** Bootstrap, Material Design

Databases

- MySQL, MS SQL Server, Oracle PL/SQL, SQLite

System & Cloud

- Linux (RHEL, Ubuntu), Windows Server
- Docker, OpenStack

Tools

- Git, Jira, UML, Merise

LANGUAGES

English

French

PROJECTS

Ericsson BSCS R3 → EB26 Migration

- Designed and implemented enterprise ESB integrations supporting migration from Ericsson BSCS R3 to Ericsson Billing EB26.
- Developed TIBCO BW workflows and EMS messaging to ensure seamless migration with minimal service disruption.

FTTH Auto-Provisioning

- Automated FTTH provisioning workflows using Nokia InstantLink and ZTE ZenicOne, eliminating manual provisioning tasks.
- Developed integration services enabling automatic ONU configuration and activation.

Loyalty Platform Migration

- Designed, developed, and deployed enterprise integration services using **TIBCO BusinessWorks (BW5)** for the migration to the **Comviva Mobilytix Rewards** platform.
- Ensured seamless integration between the new loyalty platform and existing OSS/BSS systems.

Core Network Migration

- Participated in migration from Nokia HLR to Huawei UDM by redesigning ESB integrations and provisioning interfaces.
- Ensured service continuity throughout the migration process.

AXESS ACS Migration

- Designed and implemented integration services supporting AXESS ACS migration.
- Developed Java/SOAP connectors and configured provisioning logic within Nokia InstantLink.

ORGANISATIONS

The Independent High Authority for Elections (ISIE)

Head / Deputy Head / Member of Polling Station

- Participated in **Legislative & Presidential Elections (2014, 2019)**
- Participated in **Municipal Elections (2018)**
